The Car Rental 8 NoRisk Warranty!

Should your rental car get damaged due to an accident, fire not covered by the standard insurances, Car Rental 8 will reimburse you for any personal liability charges incurred. Upon your return from vacation, just fill out our NoRisk declaration, attach the required documents and send to us for processing. We will then process your file quickly and reimburse you within four weeks in accordance to our general conditions.

The NoRisk Warranty is an exclusive Car Rental 8 product!

Why Purchase Our NoRisk Warranty

There are 5 important reasons:-

Savings:

The Car Rental 8 NoRisk Warranty is inexpensive. Reducing the amount of personal liability at pick-up destinations can vary per day, depending on the car type and/or destination

Transparency:

Clear terms and conditions in your own language. You can download our Terms and Conditions from our website in addition to being indicated on your car rental voucher.

Unique:

Our NoRisk Warranty covers damages to the Windshield, tires, chassis, and other vehicle areas. These items may not be included when purchasing the Super CDW locally, even at their higher rates!

Certainty:

When picking up your rental car, you can expect no extra charges! You will know exactly what is included in your prepaid rental and will not be faced with unexpected additional charges

Efficiency:

In the event of accident/damages to your rental car, your claim will be handled quickly, efficiently and through a Car Rental 8 contact!

Important:

If you have purchased our NoRisk Warranty, it is no longer necessary to opt for a Super CDW or Super Cover locally when you pick-up the rental vehicle. Make sure you read the rental agreement carefully before signing, as you will not need those coverages because we have got you covered!
