Whether it's for the [Kentucky Derby](#), a cool cocktail party, a spring wedding ceremony or your Sunday Best, Kentucky Derby Hats for women add extra oomph to any style statement.

They are not only popular in the field of Derby horse racing, but also girls with different types of activities all over the globe. Whether it is a fashion parade arranged by a renowned dress designer or a photo shoot occasion, it amplifies the magnificence of a girl.

Among different types of Designer [Women's hat](#) varieties, this type of hat has acquired a truly high ranking position for its uniqueness in the fashion statement of women. Let us learn something more about these types of hats to really want to add a new style quotient.

### The Designer Materials Behind Derby Hats For Women

There are various types of exquisite materials which are used to make the hats look more fetching.

- **Flowers-** Your hat can be designed with colorful flowers or some fragrant flora. This creates a natural beauty and attraction towards the lady who wears it.

- **Feathers-** A hat decorated with feathers of Peacock, dove or pigeon generates a truly gorgeous look of the hat as well the women who wear it overhead.

- **Beads-** This type of decoration is normally made with chain of beads around the hat. It makes you more dazzling when you are in a party or social gathering.

- **Ribbons-** This is one of the unique ideas of ornamenting your hat. Various colorful ribbons are used to make your hat more and more beautiful.

- **Jewels-** Hats embossed with jewels are more precious and costly when compared with other hats for women.

With exquisite materials, intricate handiwork and superb quality, [Kentucky Derby hats](#) for women certainly makes a real style-statement. Wear the designer hat and make others feel mesmerized!
